## General Laws Books Shipping to All Lodges

The delegates at the International Convention in Orlando approved thirty-two (32) amendments to the General Laws. We are sending each lodge twelve (12) copies of the August 1, 2007 edition. The cost is \$2.00 per book, plus shipping and handling which will automatically be applied to the consolidated statement received from Moose International.

In the event you desire additional copies, they may be ordered from our Catalog Sales Department on-line at [www.mooseintl.org](http://www.mooseintl.org) <<http://www.mooseintl.org>> or by phone at 630-966-2250. When ordering additional copies of the Constitution and General Laws please refer to catalog number #121.

The twelve copies are not to be returned or sold, but given to each elected and appointed lodge officer. Upon receipt each lodge officer should immediately study the General Laws. Please let us know if you have any questions regarding our new General Laws or suggestions on future amendments.

## A Few Broken Panels Of Glass On 5-Club Lamps Reported

The Membership Department has received a few reports that some of the glass panels in the 5-Club Moose Lamp were broken when received by our sponsors. So far only 6 lamps out of over 500 shipped have had even one broken panel. Please advise your sponsors of 5 or more members, that if they happen to receive a lamp with a broken glass panel, they should contact the Membership Department for a replacement panel. They should e-mail [dbond@mooseintl.org](mailto:dbond@mooseintl.org) <<mailto:dbond@mooseintl.org>> or call (630) 859-2000 x6423.
