

Dear Maryland and Delaware Moose,

Feb. 13, 2008

My name is Chris Cole. I have currently lived at Mooseheart for almost 10 years and I am proud to be sponsored by the wonderful people of your association. With your support I have been able to thrive in academics, sports and to be an active member of this wonderful community. The homes that I have lived in and the people I have met here will stay with me for my entire life. With my current academic status I am qualified for the 4 year \$26,000 scholarship. Without your continuous support this great benefit for furthering my education, beyond Mooseheart, would not have been available to me or my brothers and sisters, currently attending and those who have graduated, here at Mooseheart. For all of your support I would like to sincerely thank you for sponsoring me and making sure that this great place I call home can continue to give to children for many more years to come.

Sincerely,
Chris Cole.
