Maryland/Delaware/D.C. Moose Association

Dear Members:

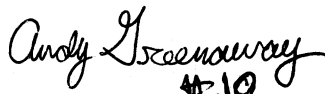

My name is Andrew Greenaway and I have lived on the Mooseheart campus since January 6, 1997. I had an older brother that has already graduated from Mooseheart and is currently in the Marine Corps. I am also planning on attending Cleveland State University after graduation. There is no way my family could have ever sent me to college. Thanks to the incredible scholarship opportunity that Mooseheart has provided to me, it is a reality!!

I have many things to be thankful for on this campus. I have participated in sports each year since the 6th grade. I have attended dances, bonfires, pep rallies, and been taught exceptional leadership skills through our NJROTC program.

Before coming to Mooseheart, it was a struggle everyday just to get to school. I was forced to walk through very dangerous neighborhoods. Often my brother and I played baseball to stay out of trouble and pass time. We didn't have a baseball though!!! Golf balls, we found, flew farther!!

I just want you to know how much I personally appreciate all your support and hope that you will continue to support all future Mooseheart students. Your generosity means a lot to this campus and the Gimme Five program is incredibly important to the success of Mooseheart. You can be a part of this great endeavor.

Sincerely,
