Maryland/Delaware/D.C. Moose Association

Dear Members:

My name is Dominik Solis. I am from Aurora, Illinois and have been at Mooseheart since August 8, 2007. I live in the Maryland/Delaware/D.C. home. I am in the 6th grade and hope to graduate from Mooseheart.

I just want you to know that you have helped to provide a lot of opportunities for me. Mooseheart is a safe place for me to live, play, and go to school. I no longer have to worry about being approached by gangs on my way to school and will be able to play football this year.

I love having a nice home to live in, gymnasiums to play in when it is cold outside, and have the opportunity to do a lot of activities with my friends. I hope that you will help spread the word about the Gimme Five program so kids like me will be able to have the opportunities that Mooseheart has given to me.

Sincerely,

Dominik Solis
