Maryland/Delaware/D.C. Moose Association

Dear Members:

My name is Paul Flores and I came to Mooseheart on February 5, 2007. I also have a brother and sister that live on campus. I am originally from California.

Some of the things that I am thankful for are the beautiful campus that I live on. There are many places for me to play with my friends that are safe. I never have to worry about gunshots, gangs, and violence.

I also have a nice home, wonderful family teachers that care for me and make sure that I am safe and healthy. I am also thankful for the school. Our teachers really help us when we don't understand and that makes me feel special. I will also have the opportunity to be a part of the school football team and basketball team. My grandma would not have been able to afford a lot the extra things that Mooseheart provides for my brother, my sister, and me.

Please continue to spread the word about the Gimme Five program. All the kids at Mooseheart are counting on you, including me!!

Sincerely,

Paul Flores
