Cub Scout Pack 210 Activity
Our Lodge will continue to sponsor Cub Scout Pack #210 in 2013 and will resubmit our sponsorship to the Boy Scouts in January, 2013. Meanwhile, the school year has started and the pack has been preparing for the new scouting season. The pack continues to hold den meetings at our Lodge. The two largest Cub Scout Pack #210 events, the Pinewood Derby and the Blue and Gold Banquet, will again be held at our Lodge in February 8 and March 9, 2013.

Consideration/Feedback
Contact Kent Lim at 301-520-5111 or w.kentlim@gmail.com

The major events in December Are the Children’s Christmas Party and the New Year’s Eve Dance Party. At the time of printing and distribution of this newsletter, we have volunteers to help in the Children’s Christmas Party and the New Year’s Eve Dance Party. If you also wish to help, contact me.

We welcome new ideas and suggestions to improve the Lodge to be more responsive to our members. We seek to increase participation in existing Lodge activities as well as developing new events. We have had feedback from members to consider more live band events. One such person has come forward to make a big difference. Peggy Neal has offered to underwrite and hostess the reunion of the Original Southern Itch Band at the Rockville Moose Lodge on Saturday, January 19, 2013. She strongly believes that this county band will be very popular at our Lodge. We look forward to that happening. As we have commented before, sustaining this kind of event depends directly upon the increased participation of members and guests. The Lodge can be as active and vigorous as its members make it. Your participation and feedback is so critical to the Lodge’s success. Meanwhile, thank you very much, Peggy.

The newsletter calendar will include all dates for our general meetings each month to make absolutely sure there are opportunities to get your ideas, input and feedback in person.

Improved Communication during January/February. We will be looking into establishing our own Rockville Moose Lodge dedicated email contact address to improve communication with our membership.

We would like your email address to send you the newsletter.
