Governor’s Corner

First let’s talk about the Crab Feast held August 18th, and let me be the first one to tell you it didn’t do as good as what we expected (no excuses), the attendance was way down and we lost money, bottom line.

We thank everyone that was here and hope you make the next feast which will be shrimp (see enclosed flyer for details) and by the way we will have live music as requested by several members.

Now let’s get back to the members and their wives or girlfriends that helped at the crab feast.

Thank you to Shirley Johnson who made and donated the coleslaw. Also thank you to Joyce and Ronnie Brigham for the potato salad.

Thank you to Beanie Rutledge and Kent Lim for picking up the crabs in D.C. and then along with Alan Barton, cooking them and having them ready to eat at 2:00pm. Also, thank you to all the officers that helped with this function.

We are starting to have Saturday Night Dance’s again, and some of you have suggested having Family Get Together’s with Live Music, plus Pickin & Grinnin on Sunday’s. We will start working on the last two.

We still have lots of spaces on both of our Super Bowl Pool’s open. Come in and sign up! If you need information on the details, come in or call the lodge at 301-424-2453.

The last thing I want to say to you is: we need you and your support for your lodge to survive! So come in and attend the meetings and voice your opinion on how the lodge is being operated or if you would like to see some changes made that you think would benefit the lodge and its members, this will be discussed and voted on.

Thank you, Come See Us!
